**Parade of Rescue Dogs**

**Katya** - All Katya knew was being tied up in the back yard and being hurt. When she was found, she had clothesline twisted all around her front legs with sores. Even to stand around people for fear of being hurt was hard and she mostly stayed curled up in a ball. We have had her for 10 years and we are always amazed when she is confident enough to reach out for a "sniff" from a stranger.
