THD TITLE (THERAPY DOG)

by Randee McQueen

Sagee (GCH Britestars Golden Design @ Umunhum THD CGC) is a pet therapy dog with the Pet Assisted Therapy Services, Furry Friends that is located in Santa Clara County. We take our dogs and other pets to hospitals (Sagee goes to VMC Pediatrics), convalescent homes, special education classrooms, libraries and more. We bring some happiness and change to children and adults in these facilities. Sagee is also a "reading buddy" in our group. He had to go through a second training and evaluation so that he can go to libraries and children get to read to him...he just listens and doesn't judge how they read. Our group also does "Stress Relief". This is mostly at high schools and colleges during finals week...our pets go and get patted and loved to relieve some of the stress of the week. In two recent situations we have been asked to help with stress relief of emergency responders at large events that they responded to. Sagee has his THD title. He is working on the next one which is THDD.
