# Northern California Siberian Husky Club, Inc. Newsletter

September/October 2019

## Upcoming Events

The NCSHC will again attempt to plan a Snow Day. The past few years we have not had enough snow to run or storms have making it too dangerous to travel to the Sierras. Weather permitting, we will plan for a Snow Day in the winter. Make plans to attend the club's Annual Meeting and Holiday Party, to be held in December. Watch upcoming newsletters for confirmed dates.

### **Bet You Can't Own Just One!**

Why own a dog? There's danger you know  
You can't own just one, the craving will grow  
There's no doubt they're addictive, wherein lies the danger  
While living with lots, you'll grow poorer and stranger.

One dog is so funny, and two are no trouble  
The third one is easy, the fourth one's a honey  
The fifth's delightful, the sixth one's a breeze,  
You find you can live with a house full with ease.

So how 'bout another? Would you really dare?  
They're really quite easy, but Lord, the hair.  
With dogs on the sofa, and dogs on the bed,  
And crates in the kitchen, It's no bother, you've said,

They're really no trouble, their manners are great,  
What's just one more dog, and one more crate?

The sofa is hairy, the windows are crusty,  
The floor is all footprints, the furniture is dusty,  
The housekeeping suffers, but what do you care?  
Who minds a few nose prints, and a little more hair?

So let's keep a puppy, you can always find room,  
And a little more time for the dust cloth and broom,  
There's hardly a limit to the dogs you can add,  
The thought of a cutback sure makes you sad.

Each one is so special, so useful, so funny,  
The vet, the food bills grow larger, you owe money,  
Your folks never visit, few friends come to stay,  
Except other dog folks, who live the same way.

Your lawn has now died, and your shrubs are dead too,  
But your weekends are busy, you're off with your crew,  
There's dog food and vitamins, and training and shots,  
And entries and motels which cost lots.

Is it worth it you wonder? Are you caught in a trap?  
Then your favorite dog comes and climbs in your lap,  
His look says your special, and you know that you will  
Keep all of the critters, in spite of the bill.

# JUST A DOG

From time to time, people tell me, "lighten up, it's just a dog," or "that's a lot of money for just a dog."

They don't understand the distance travelled, the time spent, or the costs involved for "just a dog."

Some of my proudest moments have come about with "just a dog."

Many hours have passed and my only company was "just a dog," but I did not once feel slighted.

Some of my saddest moments have been brought about by "just a dog," and in those days of darkness, the gentle touch of "just a dog" gave me comfort and reason to overcome the day.

If you, too, think it's "just a dog," then you probably understand phrases like "just a friend," "just a sunrise," or "just a promise."

"Just a dog" brings into my life the very essence of friendship, trust, and pure unbridled joy. "Just a dog" brings out the compassion and patience that make me a better person. Because of "just a dog" I will rise early, take long walks and look longingly to the future.

So for me and folks like me, it's not "just a dog" but an embodiment of all the hopes and dreams of the future, the fond memories of the past, and the pure joy of the moment.

"Just a dog" brings out what's good in me and diverts my thoughts away from myself and the worries of the day.

I hope that someday they can understand that it's not "just a dog" but the thing that gives me humanity and keeps me from being "just a man" or "just a woman."

So the next time you hear the phrase "just a dog," just smile, because they "just don't understand."
