Upcoming Events

The NCSHC will again attempt to plan a Snow Day. The past few years we have not had enough snow to run or storms have making it too dangerous to travel to the Sierras. Weather permitting, we will plan for a Snow Day in the winter.

The NCSHC will be supporting the entry on Saturday and Sunday of the Woofstock Circuit June 6 & 7. Watch Upcoming Events in future newsletters for more information as we get closer to the show date.

Annual Meeting and Holiday Party

On December 14, 2019 club members and friends met at the home of club member Randee McQueen for our Annual Meeting, Holiday Party, Potluck and Gift Exchange.

We started the day with Board and General Meetings and the appointment of new officers. Following the meetings, it was time for lunch. As usual we had a wonderful variety of food (mostly sweets) with a wonderful tray of homemade baked goods from Diane Willett.

Then it was on to the Gift Exchange (stealing!)

Although we started out slow the stealing soon began to heat up. We had several youngsters in attendance, and all were very good when a gift was stolen from them and quite happy when they were able to steal a gift for themselves. A fun time was had by all and hopefully everyone went home with the gift they wanted.

The club is looking forward to our 2020 activities with the possibility of a snow day this winter. Supporting the entry at the Woofstock Circuit in which we will be offering sweepstakes on Saturday and Sunday. And our match in the summer months.

The kids were always happy to help with the gift opening.

Peggy was very festive!

Golden Gate Kennel Club 2020

The Golden Gate Kennel Club show was held on January 25 and 26th. If you have not yet been to this show you should make the effort to come check it out. The is one of only three benched shows in the U.S. and the ONLY benched show on the West Coast. The club does a great job of rolling out the BLUE carpet for the exhibitors.

This year the club was represented by 2 members And 3 dogs with a few other fellow fanciers and their dogs joining us on the bench.

With a constant stream of people coming through both days to meet the dogs and gain information on out breed, everyone was kept very busy.

My two girls were entered only on Sunday but they loved the attention from public. Only stopping for a short nap midday they were up for greeting folks with plenty of kisses.

This year there was plenty of variety on the bench. Along with two with Siberians we had grey/white, black/white and red/white. Unfortunately, we had no blue eyes on the bench, the closest we came was a parti-eye.

The best thing yesterday was two young kids who stopped to meet my girls, probably between 7-8 years. The young boy showed up first thing in the morning, the girls were crazy and wanted to play, he was very wary of their silliness but spent quite a bit of time at the bench. The second was a young girl that showed up just a short time later. She loved the girls being crazy, sat right on the bench with them and enjoyed there playfulness. She stayed for so long I was beginning to think she would spend the day with us. Both kids came back to the bench hours later as they were getting ready to head home. Both dads said after seeing all the dogs the kids wanted to come say good bye to the Siberians. What a great thing that out of all the dogs at the show they wanted to come see our dogs a second time. Fortunately, the girls were much calmer by this time and the boy sat on the bench and even cuddled with Journee a bit.

I think my girls are both still sleeping the day after, and I wish I was, but it was still a great weekend!

Friday set up for the weekend.
