RECIPE CORNER:

3 Ingredient Dog Treats

1/2 cup sliced apples

1/2 cup peanut butter

Directions

Use an apple slicer or a sharp knife to slice up your fruit. If you don't have apples, you can substitute another fruit or veggie like pears, peaches or carrots.

Add the apple slices and two tablespoons of water to a small saucepan with a lid. Cook over low-medium heat for 10-15 minutes, or until apples are soft enough to mash with a fork.

In a large bowl, mix the 3 ingredients together until they're well-combined. The mix should be thick and a little sticky.

Roll a small amount of the oat mix between your palms to make a "meatball." The size depends on the size of your dog. For larger pups, use 1/2 or 1 tablespoon of mix per meatball. For smaller dogs, use 1 teaspoon. Place treats on a parchment lined baking sheet and bake at 350°F for 15 minutes, until firm. Cool and serve.

Sorry this month is so late, I have a 'floater' in my left eye that has been affecting my vision and making everything blurry. It's much better now! DMW

BRAGS:

 Nancy Mead bragged 2023 was a busy year for "Clipper". She earned her CGCA and TKN, then finished her Grand Championship with a major Select Bitch, followed up the next day with a Best of Opposite Sex. Her littermate, Stormy, took back to back majors the same two days. The following month she qualified for a leg each on her BN and RN titles. She had fun in participating in the AKC's Agility League this fall, then wrapped up the year by finishing her BCAT title in December.

 From December – Donna bragged that Henley and Stephen as well as their cousin Nix won awards of merit at the SHCA National Specialty!

 From December – Randee bragged that Emburr won Best In Show at the Great Clark County Kennel Club shows!

 From December – Kelley Leedy bragged that after running 2 qualifying runs at the Nationals, Yeti finished his BCAT Title at the TMDTC F-Cat trial!
